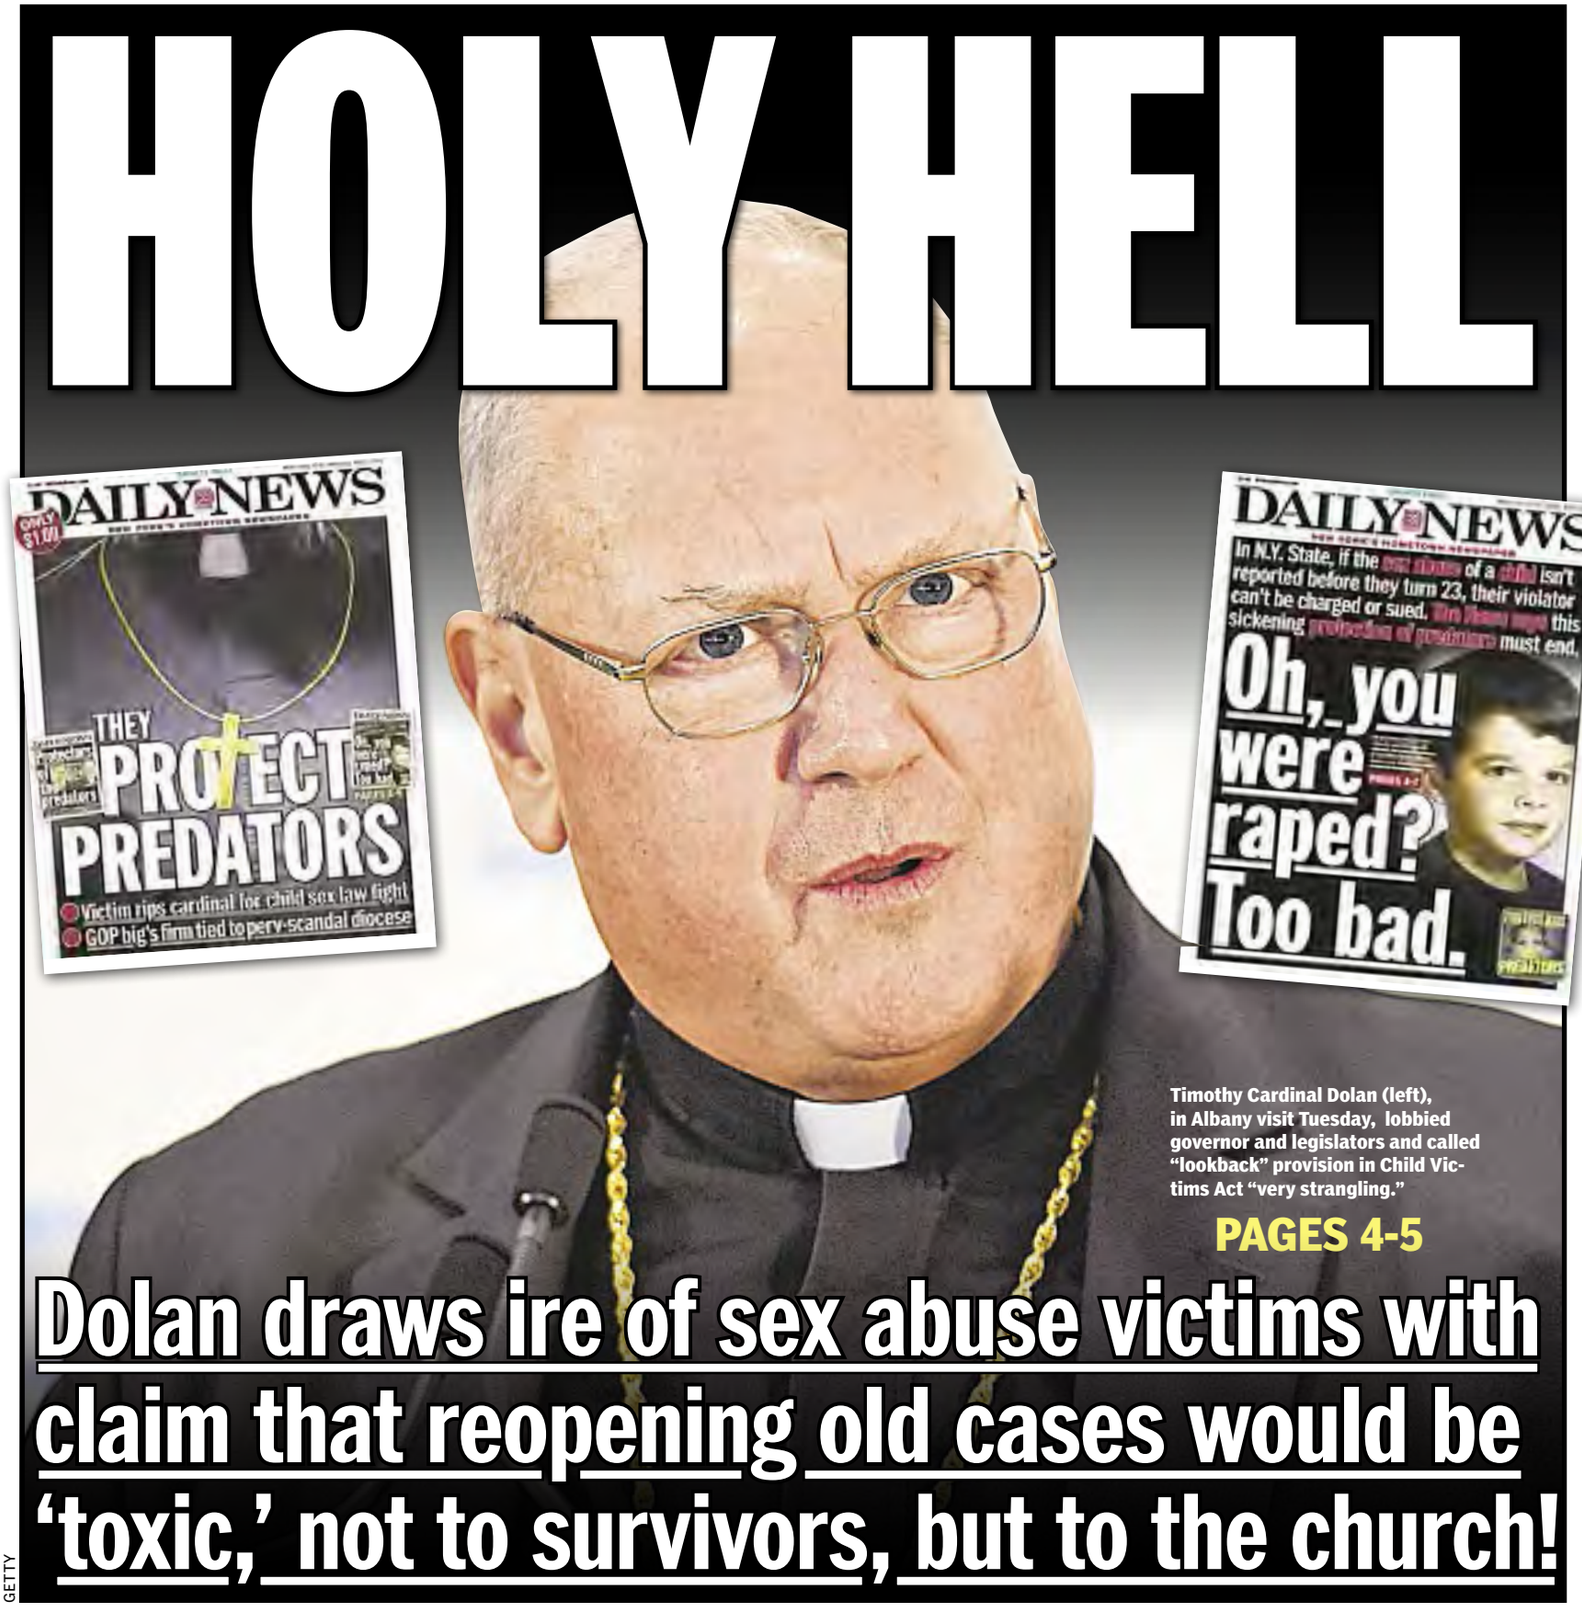
THEY PROTECT PREDATORS
Victim rips cardinal for child sex law fight
GOP big's firm tied to perv-scandal diocese

DAILY NEWS
In N.Y. State, if the sex crimes of a child isn't reported before they turn 23, their violator can't be charged or sued. This News says this sickening protection of predators must end.
Oh, you were raped? Too bad.



Timothy Cardinal Dolan (left), in Albany visit Tuesday, lobbied governor and legislators and called "lookback" provision in Child Victims Act "very strangling."

PAGES 4-5

## Dolan draws ire of sex abuse victims with claim that reopening old cases would be 'toxic,' not to survivors, but to the church!
